P.F.'s Story

Fort Collins Cat Rescue & Spay/Neuter Clinic, Fort Collins, CO

P.F. was friendly and playful but she had persistent upper respiratory infections and health issues that prevented her from thriving in our shelter. One of our dedicated foster specialists took her in and nursed her through her chronic health issues. After several months of loving care and attention, P.F. caught the eye of her new family, who formally adopted her through our Foster-to-Adoption program earlier this month. They adore her and report that she's "happy as a clam." With the support of Lil BUB funds, our Special Kneads Club cats like P.F. get the extra time and care they need until their families find them.

"Fort Collins Cat Rescue & Spay/Neuter Clinic is wholly dedicated to ensuring that all of our cats get the absolute best care we can provide, and that means our Special Kneads Club cats too! Providing cats with extra diagnostics and treatments to ensure they go to their homes happy and healthy is what the Lil BUB grant helps us do. Thank you for helping make ALL of our cats healthy and wanted."
